Zander	CHC2D 109							

- The Learning Commons or cafeteria will be open and supervised for students during the exam period.
- Attendance is mandatory for all exams. A medical note must be provided for any missed exams.
- Students are required to write their exams for at least one hour.
- Upon dismissal, students must leave the exam hallways quickly and quietly as others continue to write.
- If students are leaving the school after writing an exam, they should do so with the same expectations of a regular school day (i.e., having permission from a parent and signing out at the office).
- **If UCDSB transportation is cancelled or if schools are closed on one of the scheduled exam days, all exams will move forward by one day.**
