

September 2021

Grade 7/8 Registrants

Welcome to PDCI!
Home of the Blue Devils

How do you register your student?

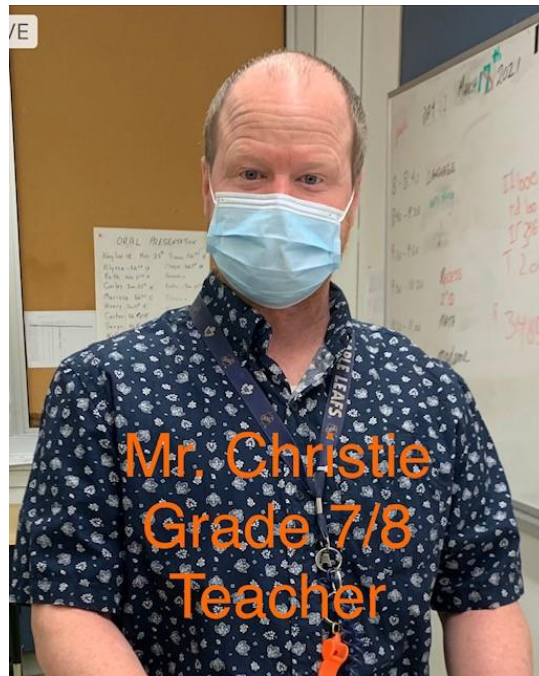

- ▶ Students who currently attend one of our feeder schools are already registered! 😊
- ▶ If you are new to the area or new to UCDSB, please register on [My Family Room](#). This is also the best way to stay up-to-date with school/board communication.
- ▶ You can also reach out to our Guidance Office Assistant at karen.diotte@ucdsb.on.ca for help.

LUNCH(20) RECESS(20) Group B - 11:40 - 12:20

DISMISSAL - 2:10 (Staggered 2:00-2:09)

Classroom Organization

Students will be in class cohorts again in the fall and they will stay in the same classroom all day. They will eat there too.

We have 3 grade 7 core French classes, 3 grade 8 core French classes, and one 7, one 8, and one 7/8 immersion classes.

Core French classrooms will have three teachers. One for French, one for music, one for all other subjects.

French Immersion classrooms will have either 2, 3 or 4 teachers, depending on the teachers' schedules.

Getting Involved

Encourage your student to participate in events organized by students and staff or to organize an event themselves.

Students often take on leadership roles, seeing something they want to have happen and making it happen.

Popular outdoor activities include basketball, soccer, football, volleyball, four-squares, and spikeball.

Even with the Covid protocols there are still some book clubs, math contests, Earth Day challenges etc. to join.

Some outdoor activities...

Spirit Days...

We Believe

Students need a safe and welcoming environment in order to learn and grow.

All students belong at PDCI. We strive to ensure all students feel that they are part of the school community. #equityandinclusion

Good communication between home and school is vital. If you or your student has a concern, please let us know. We will do the same. #pdcicarees

All students can learn. We assess where students are at and program based on that. Closing reading gaps and developing a love of reading is a focus.

Frequently asked questions...

When will I know who my child's teacher is and what classroom they are to go to? **By Friday September 3rd.**

What if I need digital remote learning? **There will be a survey sent late August asking for this information.**

My child is anxious about starting school at the high school. Will there be a chance to visit before the first day of classes? **We will be given direction from the health unit about visits, in August. At the very least a personalized virtual tour can be arranged.**
